

# How to Enroll in another publication

<https://www.grlcontent.com>

1

## Log into GRLContent

Use your username and password to log into your existing GRLContent account at

<https://www.grlcontent.com>

### LOGIN TO YOUR ACCOUNT

[Forgot Password?](#)

**SIGN IN**

2

## Click on the “Enroll in another online publication” button

The “Enroll in another online publication” button is below the “access your publication(s)” grid.

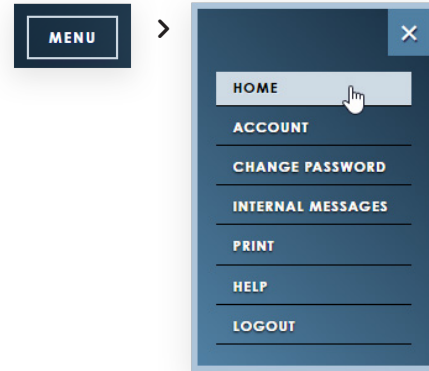

### Access your publication(s)!

		Online Publication	Institution	Status
<a href="#">View this publication</a>		Publication Title 101	University Name	Live

**Enroll in another online publication**

If you log into GRLContent and go straight to the publication, you may need to click the **Menu** button and then click on the **Home** link.

Note the menu button and dropdown will look different in each publication. This is just an example of one menu button.

3

### Purchase a code

Select the “Click here to purchase” button to obtain an access code to the new title.

I need to purchase an access code for my new publication

No access code from the book? Purchase access here.

[Click here to purchase](#)

4

### Select your publication

Choose your institution and publication. Select “Next”.

Choose Your Online Publication

Institution \*

Your Institution

Online Publication \*

Your Publication

Fields marked with an asterisk (\*) are required.

5

## Select your section

You may need to select a section if there are multiple sections using the publication at your school. It is vital that you select the correct section, as **any scores you obtain are tied to the section you select.**

### > Choose Your Section

#### Sections

Section	Instructor
<input type="radio"/> Section name 001	Instructor name 001
<input type="radio"/> Section name 002	Instructor name 002
<input type="radio"/> Section name 003	Instructor name 003
<input type="radio"/> Section name 004	Instructor name 004
